

EDUCATION & WORKFORCE DEVELOPMENT COMMITTEE

2024-2025 EDUCATION & WORKFORCE DEVELOPMENT COMMITTEE GOALS

- Convene 3 Targeted Industry Roundtables with education institutions and a representative sample of those industries' leaders to establish regular dialogue between business and educators on workforce needs and other issues that may surface.
- Hold 2 Workshops on How to Develop an Apprenticeship/Internship with post-secondary and secondary educational institutions.
- Collaborate with the HR and Workforce Development Committee and other committees on four forums/meetings on topics and issues related to education and workforce development.
- Broaden committee membership by adding 10 new members from the business community.
- Collaborate with Beacon Council's Academic Leaders Council and educational institutions to create a greater awareness of k-12 educational options in Miami-Dade to the business sector.
